note new edition in 2025 supersedes this 2023 2024 one and is a fully updated version of this much read introduction to the office of notary public louisiana civil law notaries enjoy functions responsibilities and earning potential unmatched in any other state and reserved there to attorneys louisiana notaries wield the power not just to verify signatures but also to create the legal papers they notarize including affidavits donations powers of attorney and even wills and

trusts and so much more with no educational requirement beyond high school but a state exam that is famously challenging the entire process to become a notary is difficult and wrapped in some mystery this book is helpful if you're in the beginning stages of becoming a notary public or just thinking about joining the profession it's about the process of registering to be a notary and why you'd want to it's about the classes books resources and options available to prep for the exam it's not a study guide to the test's content itself other books do that including the best selling sidepiece guide also by prof childress of tulane law school but it does explain the format of the exam and the structure of questions so that a candidate knows how to start studying previously no one had offered a guide to the preliminary but confusing steps you take to be eligible for the exam or rules and tips you'd want to know right away about the exam process and its open book website information can be unclear and incomplete without disclosing the realities this book is about what i wish someone told me from day one when i was considering becoming a notary in louisiana an affordable addition to the sherpa series from quid pro books

descr new edition for 2026 updates and expands the previous edition and is keyed to the current state study guide the louisiana notary public exam is based on a 734 page study guide but the official book is famously difficult to read and organized in a complex way readers often need help including classes and facebook groups just to unwind it this book is unlike any other directly aimed at simplifying and outlining the study guide itself such a resource offers a better chance of passing the notoriously challenging notary exam law school classes and bar exam prep have long given law students the advantage of complete outlines nutshells and bar review materials authored by experts in their subjects it's time for this concept to be used for notary prep as well applying the tried and true outlining format successfully employed for bar review experienced lawyer notary michele childress offers this resource for aspiring louisiana notaries whether they're prepping by self study or as part of organized coursework a new addition now in its 5th edition to the sherpa series from quid pro books this book joins the sidepiece and sample questions texts as affordable guidance in the journey to becoming a commissioned notary in our state

new edition for 2024 keyed to the current study guide's page numbers questions and answers in four separate tests plus detailed explanations for each right and wrong answer referencing the latest official state study guide help coach students for the difficult exam this independent resource at last takes notary prep to the next level by revealing the tricks of questions and formats tactics for the test and the law behind it more generally it serves as a master class in answering multiple choice questions and tackling tricky exams louisiana civil law notaries have unmatched functions responsibilities and opportunities but the exam averages a 20 pass rate candidates need all the help they can get the best prep classes and study groups recommend multiple practice questions to understand the format content and coverage of the actual exams the secretary of state administers each year yet even the best workbooks and study aids are costly but barebones in the answers they provide their questions help but students are left matching answers to page numbers there's no guidance on why they're right and even less about why other good options aren't best this book fills that void with 130 questions and detailed clarifications plus tactics illustrated by specific formats and options explanations are keyed in detail to the 2024 fundamentals state study guide dr childress author of a best selling

supplemental book decoding the state study guide and teacher of tulane s undergraduate course in notary law explains every twist he can think of that the examiners may try whether as a recommended supplement to a prep class as spelled out lagniappe to other available workbooks or as a new tool for self study this workbook should become standard fare for anyone contemplating becoming a commissioned notary an affordable addition to the sherpa series from quid pro books

new edition in 2025 explaining all the big changes to the testing process and format effective march 2025 this is a fully updated version of this much read introduction to the office of notary public louisiana civil law notaries enjoy functions responsibilities and earning potential unmatched in any other state and reserved there to attorneys louisiana notaries wield the power not just to verify signatures but also to create the legal papers they notarize including affidavits donations powers of attorney and even wills and trusts and so much more with no educational requirement beyond high school but a state exam that is famously challenging the entire process to become a notary is difficult and wrapped in some mystery that is especially true in 2025 as the state transitions to a new system of registration and testing this book is helpful if you re in the beginning stages of becoming a notary public or just thinking about joining the profession it s about the process of registering to be a notary and why you d want to it s about the classes books resources and options available to prep for the exam it s not a study guide to the test s content itself other books do that including the best selling sidepiece guide also by prof childress of tulane but it does explain the format of the exam and the structure of questions so that a candidate knows how to start studying previously no one had offered a guide to the preliminary but confusing steps you take to be eligible for the exam or rules and tips you d want to know right away about the exam process and its open book website information can be unclear and incomplete without disclosing the realities this book is about what i wish someone told me from day one when i was considering becoming a notary in louisiana an affordable addition to the sherpa series from quid pro books

previous edition for 2023 for use with the 2023 study guide look for a new edition keyed to the current study guide updates and expands the previous edition and is keyed to the state guide the louisiana notary public exam is based on a 722 page study guide fundamentals of louisiana notarial law and practice but the official book is famously difficult and organized in a complex way readers often need help including classes and facebook groups just to unwind it this book is at last directly aimed at simplifying and outlining the study guide itself such a resource offers a better chance of passing the notoriously challenging notary exam law school classes and bar exam prep have long given law students the advantage of complete outlines nutshells and bar review materials authored by experts in their subjects it s time for this concept to be used for notary prep as well applying the tried and true outlining format successfully employed for bar review experienced lawyer notary michele childress offers this resource for aspiring louisiana notaries whether they re prepping by self study or as part of organized coursework a new addition now in its second edition to the self study sherpa series from quid pro books this book joins the sidepiece and sample questions texts as affordable guidance in the journey to becoming a commissioned notary in our state

superseded 2022 edition look for the new 2023 version if you are studying with the current guide the louisiana notary public exam is based on a 705 page study guide fundamentals of louisiana notarial law and practice but the official book is famously difficult and organized in a complex way readers often need help including classes and facebook groups just to unwind it this book is at last directly aimed at simplifying and outlining the study guide itself such a resource offers a better chance of passing the notoriously difficult notary exam law school classes and bar exam prep have long given law students the advantage of complete outlines nutshells and bar review materials authored by experts in their subjects it s time for this concept to be used for notary prep as well applying the tried and true outlining format successfully employed for bar review experienced lawyer notary michele childress offers this resource for aspiring louisiana notaries whether they re prepping by self study or as part of organized coursework a new addition to the self study sherpa series from quid pro books this book joins the sidepiece and sample questions texts as affordable guidance in the journey to becoming a commissioned notary in our state

now superseded by our newer edition also found on this site louisiana civil law notaries enjoy functions responsibilities and earning potential unmatched in any other state and reserved there to attorneys louisiana notaries wield the power not just to verify signatures but also to create the legal papers they notarize including affidavits donations powers of attorney and even wills and trusts and so much more with no educational requirement beyond high school but a state exam that is famously challenging the entire process to become a notary is difficult and wrapped in some mystery this book is helpful if you re in the beginning stages of becoming a notary public or just thinking about joining the profession it s about the process of registering to be a notary and why you d want to it s about the classes resources and options available to prep for the exam it s not a study guide to the test s content itself other books do that including the best selling sidepiece guide also by prof childress of tulane but it does explain the format of the exam and the structure of questions so that a candidate knows how to start studying previously no one had offered a guide to the preliminary but confusing steps you take to be eligible for the exam or rules and tips you d want to know right away about the exam process and its open book website information can be unclear and incomplete without disclosing the realities this book is about what i wish someone told me from day one when i was considering becoming a notary in louisiana an affordable addition to the self study sherpa series from quid pro books

includes extra sessions

this book provides a comprehensive treatment of the law governing recordation of land titles as it has been developed in doctrine legislation in europe the rest of the civil law world including the state of louisiana the author introduces american readers to nine fundamental principles of recordation law that are the product of generations of work by civilian lawyers commentators that permit him to explicate the law of recordation both common civil with an unprecedented degree of clarity thoroughness this wide ranging treatise should be useful both to members of the louisiana bench bar to teachers practitioners of real estate law wherever situated publications institute paul m hebert law center room 310 baton rouge la 70803 504 388 8701
